Engendering America: A Documentary History, 1865 to the Present Sonya Michel, Robyn Muncy

This is the first and only documentary history of gender in the US. The documents, both written and visual, illustrate the variety of ways that Americans defined manhood and womanhood at any one time (since 1865) and the ways those definitions have changed over time. The book demonstrates the interconnections between the histories of gender and sexuality, and it introduces students to the use of primary sources in history.

Neil McNatt:

As a pupil exactly feel bored to reading. If their teacher requested them to go to the library or even make summary for some e-book, they are complained. Just very little students that has reading's heart or real their interest. They just do what the teacher want, like asked to the library. They go to at this time there but nothing reading critically. Any students feel that looking at is not important, boring in addition to can't see colorful pictures on there. Yeah, it is to be complicated. Book is very important in your case. As we know that on this time, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. So , this Engendering America: A Documentary History, 1865 to the Present can make you feel more interested to read.
