The Future of Success

Robert B. Reich

The Future of Success Robert B. Reich

If you think it's getting harder to both make a living and make a life, economist and former secretary of labor Robert Reich agrees with you. Americans may be earning more than ever before, but we're paying a steep price: we're working longer, seeing our families less, and our communities are fragmenting.

With the clarity and insight that are his hallmarks, Reich delineates what success has come to mean in our time. He demonstrates that although we have more choices as consumers, and investors, the choices themselves are undermining the rest of our lives. It is getting harder for people to be confident of what they will be earning next year, or even next month. At the same time, our society is splitting into socially stratified enclaves--the wealthier walled off and gated, the poorer isolated and ignored. Although the trends he discusses are powerful, they are not irreversible, and Reich makes provocative suggestions for how we might create a more balanced society and more satisfying lives. Some of his ideas may surprise you; all should spark a healthy--and essential--national debate.

From the Trade Paperback edition.

From reader reviews:

Melinda Miller:

This The Future of Success are usually reliable for you who want to be considered a successful person, why. The main reason of this The Future of Success can be one of several great books you must have will be giving you more than just simple reading through food but feed a person with information that probably will shock your prior knowledge. This book will be handy, you can bring it almost everywhere and whenever your conditions at e-book and printed ones. Beside that this The Future of Success giving you an enormous of experience such as rich vocabulary, giving you demo of critical thinking that we understand it useful in your day exercise. So , let's have it and enjoy reading.

Jesse Kennedy:

The book The Future of Success will bring someone to the new experience of reading a book. The author style to explain the idea is very unique. If you try to find new book to learn, this book very suitable to you. The book The Future of Success is much recommended to you to see. You can also get the e-book from your official web site, so you can quickly to read the book.

Macie Tiffany:

In this era which is the greater man or woman or who has ability to do something more are more valuable than other. Do you want to become one of it? It is just simple method to have that. What you have to do is just spending your time very little but quite enough to possess a look at some books. One of several books in the top collection in your reading list is usually The Future of Success. This book which is qualified as The Hungry Hillside can get you closer in turning into precious person. By looking way up and review this e-book you can get many advantages.

Katherine Velasquez:

As a student exactly feel bored to be able to reading. If their teacher inquired them to go to the library or even make summary for some e-book, they are complained. Just minor students that has reading's internal or real their interest. They just do what the teacher want, like asked to go to the library. They go to right now there but nothing reading very seriously. Any students feel that reading is not important, boring as well as can't see colorful pictures on there. Yeah, it is to be complicated. Book is very important in your case. As we know that on this age, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. So , this The Future of Success can make you really feel more interested to read.
