Consuelo Figueroa

Chile y América Latina: democracias, ciudadanías y narrativas históricas (Spanish Edition) Consuelo Figueroa

En 2010, la mayoría de los países latinoamericanos conmemoraron 200 años de vida independiente, dando lugar a diversas celebraciones y festejos públicos que, con gran boato, rememoraron los hitos, personajes y símbolos patrios que a lo largo de esas dos centurias dieron vida a los Estados nacionales. Al mismo tiempo y, al igual como sucedió durante las celebraciones del Centenario, la coyuntura también fue propicia para el surgimiento de reflexiones críticas respecto de los caminos transitados y de las posibilidades futuras de cada país. Entre los temas abordados, destacaron discusiones acerca de los procesos de formación de las nuevas repúblicas, las rupturas y continuidades de los sistemas políticos, los conflictos que amenazan a las actuales democracias, los problemas de representación ciudadana, la creciente brecha entre ricos y pobres, y la permanencia de instituciones de corte autoritario.
