John Maynard Keynes. Un capitalista revolucionario (Spanish Edition) Roger E. Backhouse, Bradley W. Bateman

En Capitalist Revolutionary se ofrece un acercamiento al pensamiento y la obra de John Maynard Keynes, prestigioso economista del siglo XX, que transformó la teoría y la praxis económica y lo sigue haciendo, pues sus ideas son pilar en la teoría económica contemporánea. En este análisis, se pone atención en tres vertientes que pueden identificar a Keynes: el creador de políticas económicas, el teórico de la economía, y el filósofo moral que criticó los aspectos más criticados de sistema económico capitalista. Complementando este estudio se incluye un ensayo bibliográfico en el cual se abordan los textos del autor y las interpretaciones que han surgido a partir de ellos.
