Running from an over-protective family, Jessa Sykes moves to Arkansas. But her cabin burns to the ground - and it seems a saboteur is intent on driving her away from town. After watching his best friend die in a blaze, firefighter Clint McFadden turned in his equipment. But he can't ignore the burning cabin he passes in the middle of the night, nor the beautiful occupant who collapses on the threshold. Automatically, Clint rescues her. Now who will rescue his heart? Jessa's struggling for independence, so why would God bring her a man with "Protector" written all over him? Will they be able to put the past behind them and let God draw their plans for the future?
