Arma Crítica (Portuguese Edition)

João Oliveira Rendeiro

Arma Crítica (Portuguese Edition) João Oliveira Rendeiro

É interessante como João Rendeiro nesta obra se revela crítico do paradigma académico identificado pela “síntese neoclássica” e assente no princípio da racionalidade do “homem económico” que, estatisticamente, “comportar-se-ia como uma distribuição normal e os modelos econométricos que representavam tinham um comportamento estocástico perfeito”. Por isso reconhece “a implosão dos modelos estatísticos” perante a incapacidade de explicarem “as crises, sobretudo se graves”.

O Autor não é um personagem fora do palco dos acontecimentos, nem ao longo das duas centenas de páginas revela qualquer preocupação com qualquer neutralidade académica. Pelo contrário, situa-se no enredo, escarpeliza os personagens e identifica as relações que entre elas se estabelecem. Porém, fá-lo com o conhecimento de uma experiência acumulada, o domínio das técnicas do negócio financeiro e a sustentação da teoria económica que continua a dominar. Neste aspecto, não é muito usual encontrar quem consiga combinar aqueles três pilares do conhecimento.

João Rendeiro conhece bem os meandros da política e dos negócios em Portugal e não se coíbe de tomar posição, quantas vezes em contracorrente ao mainstream construído diariamente entre política, negócios e media. É esta atitude que o distingue do discurso politicamente correto que domina o dia a dia desta minúscula praça financeira sedeadada em Lisboa. Quando estes meios são de reduzida escala tudo se torna mais previsível, salvo as tempestades financeiras que a globalização faz chegar ao mais recôndito lugar do mundo, principalmente quando a sua exposição é inversamente proporcional ao seu tamanho e relevância.
