*USA TODAY* bestselling author Janice Maynard asks: Can a boss on a royal mission mix business with pleasure?

Diplomat Alex Ramon's Miami mission is on the rocks. Convincing the exiled Montoros to give up their American life and return to Alma's throne has become personal. Not only is his trusted aide Maria Ferro flirting with a potential prince, but Alex is actually jealous! So jealous, he might sabotage his goals so he can take Maria to his bed...a prize more tempting than any commission from the crown.

But Alex doesn't know that Maria has a longtime crush of her own—and it isn't on the playboy prince...
