STROBIST VOL. 2: PORTRAIT LIGHTING TECHNIQUES

STEVEN HATCH
Tongue to Pole

INSPIRED BY THE classic film *A Christmas Story*, Steven Hatch dragged his kids out to a nicely frozen pole at a local park and set up two flashes, each with a shoot-through umbrella. After directing the talent into the positions and expressions he was after, Steven fired away with the model's tongue a safe distance from the pole. Steven took a second shot with the boy's tongue pressed against a plastic bowl and combined the two shots into the breathtaking image you see here.
