The Portable Abraham Lincoln (Penguin Classics) Abraham Lincoln

Celebrate the bicentennial of Abraham Lincoln's birth with this new edition of his greatest speeches and writings

Abraham Lincoln endowed the American language with a vigor and moral energy that has all but disappeared from today's public rhetoric. Lincoln's writings are testaments of our history, windows into his enigmatic personality, and resonant examples of the writer's art. *The Portable Abraham Lincoln* contains the great public speeches - the first debate with Stephen Douglas, the "House Divided" speech, the Gettysburg Address, the Second Inaugural Address - along with less familiar letters and memoranda that chart Lincoln's political career, his evolving stand against slavery, and his day-to-day conduct of the Civil War. This edition includes a revised introduction, updated notes on the text, a chronology of Lincoln's life, and four new selections of his writing.

For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.
