The Rhythm of Life - Celtic Daily Prayer, New Edition David Adam

Life has its rhythms. We all need to be able to cope with its ebb as well as its flow. We have to survive its darkness as well as its light. We face dry times as well as times of richness. To survive this intricate pattern, we need to have an overriding rhythm of prayer. We need to know that whatever is happening, we are loved by God, and in him we live and move and have our being. This updated edition of one of David Adam's most popular books has new, specially commissioned line drawings, and is now based on the Common Worship Lectionary.
