## **The Secrets of Paradise Bay (Urban Renaissance)** Devon Vaughn Archer

Former international model Ivana Kendall-Lancaster gives it all up to marry the love of her life, Trey, and settle into Paradise Bay, Oregon. She never expected him to be unfaithful, but when the worst happens, she isn't sure that anything can repair the mistrust and pain she feels.

Trey Lancaster is living a life of wealth and leisure, but all is far from perfect in his world. After an affair with the wife of a wealthy client, he's desperately trying to get past this moment of weakness, knowing that he loves his wife more than anything.

Trey's brother, Clyde, enters the picture. Newly released from prison, he carries a dark secret that links his crime to Trey. It doesn't take long for a sex-starved Clyde and a wounded Ivana to become attracted to one another. This attraction turns into one night of forbidden sexual relations.

Feeling guilty for betraying Trey, Clyde tries to distance himself. Ivana is left confused and unsure what—or whom—she wants. As the brothers try to come to terms with their issues, a dangerous man from Clyde's past with a score to settle puts the brothers and Ivana in harm's way.

Can Ivana and Trey find their way back to each other, or will tragedy forever keep them apart?

### **From reader reviews:**

#### **Francis Rutland:**

Book is to be different for each and every grade. Book for children right up until adult are different content. As you may know that book is very important for us. The book The Secrets of Paradise Bay (Urban Renaissance) was making you to know about other knowledge and of course you can take more information. It is quite advantages for you. The book The Secrets of Paradise Bay (Urban Renaissance) is not only giving you considerably more new information but also to become your friend when you truly feel bored. You can spend your own personal spend time to read your book. Try to make relationship together with the book The Secrets of Paradise Bay (Urban Renaissance). You never truly feel lose out for everything when you read some books.

#### **Margaret Walker:**

Information is provisions for those to get better life, information currently can get by anyone from everywhere. The information can be a understanding or any news even restricted. What people must be consider if those information which is inside former life are challenging be find than now's taking seriously which one is appropriate to believe or which one the resource are convinced. If you get the unstable resource then you get it as your main information you will see huge disadvantage for you. All of those possibilities will not happen throughout you if you take The Secrets of Paradise Bay (Urban Renaissance) as the daily resource information.

#### **Melissa Fanning:**

Precisely why? Because this The Secrets of Paradise Bay (Urban Renaissance) is an unordinary book that the inside of the book waiting for you to snap it but latter it will distress you with the secret the idea inside. Reading this book alongside it was fantastic author who write the book in such wonderful way makes the content on the inside easier to understand, entertaining means but still convey the meaning entirely. So , it is good for you because of not hesitating having this ever again or you going to regret it. This book will give you a lot of benefits than the other book get such as help improving your skill and your critical thinking means. So , still want to hesitate having that book? If I were you I will go to the book store hurriedly.

#### **Michael Crew:**

This The Secrets of Paradise Bay (Urban Renaissance) is new way for you who has interest to look for some information as it relief your hunger info. Getting deeper you onto it getting knowledge more you know or else you who still having small amount of digest in reading this The Secrets of Paradise Bay (Urban Renaissance) can be the light food for you because the information inside this book is easy to get simply by anyone. These books create itself in the form which is reachable by anyone, yep I mean in the e-book application form. People who think that in guide form make them feel sleepy even dizzy this book is the answer. So there is no in reading a publication especially this one. You can find actually looking for. It

should be here for you actually. So , don't miss the idea! Just read this e-book kind for your better life and also knowledge.
