El futuro de Cuba existe (Spanish Edition) Elena Ferro

El Futuro de Cuba existe fue escrito entre los años 2005 y 2006. La idea nació casi por casualidad, como jugando: como ciudadana honoraria de la Provincia de La Habana sentía la exigencia de comunicar al mayor número posible de personas como era la realidad de ésta tierra, mas allá de la propaganda política (que además me ha visto protagonista cuando he tenido la oportunidad) y de las noticias parciales, que nos llegan de aquel pueblo, obstinado como es el mundo en el censurar, en el esconder, en el interpretar a modo suyo la vida, los valores, las ideas de gente que no se deja homologar a la cultura dominante.

Y esto, se tenga bien en consideración, no es un valor en sí mismo. Lo es cuando resistir a la indiferenciación se vuelve un modo para proclamar con fuerza el derecho a la propia diversidad, a la posibilidad de existir, a la libertad de todos los pueblos decidir el propio futuro.

Este libro de viajes hoy sigue siendo muy actual, particularmente después de el abandono de la vida política activa de Fidel en favor de su hermano Raúl y las recientes declaraciones de el Presidente de Los EEUU Obama al final del 2014.

Lo que vi y describo en este diario confirma la fuerza radicada en la identidad de un pueblo que condujo Cuba hasta el día de hoy. Un pueblo determinado y convencido que da testimonio que otro mundo es posible. El futuro de Cuba existe porque su historia y su presente viven.

Now, why not striving El futuro de Cuba existe (Spanish Edition) that give your entertainment preference will be satisfied by reading this book. Reading behavior all over the world can be said as the way for people to know world much better then how they react toward the world. It can't be claimed constantly that reading practice only for the geeky man or woman but for all of you who wants to possibly be success person. So , for every you who want to start reading through as your good habit, you may pick El futuro de Cuba existe (Spanish Edition) become your personal starter.

Fabian Luton:

Don't be worry if you are afraid that this book will probably filled the space in your house, you will get it in e-book method, more simple and reachable. This kind of El futuro de Cuba existe (Spanish Edition) can give you a lot of friends because by you investigating this one book you have matter that they don't and make you more like an interesting person. This specific book can be one of one step for you to get success. This e-book offer you information that might be your friend doesn't understand, by knowing more than additional make you to be great men and women. So , why hesitate? Let me have El futuro de Cuba existe (Spanish Edition).

Ryan Moore:

As a university student exactly feel bored to help reading. If their teacher questioned them to go to the library or make summary for some book, they are complained. Just small students that has reading's spirit or real their interest. They just do what the professor want, like asked to the library. They go to right now there but nothing reading seriously. Any students feel that studying is not important, boring and can't see colorful pictures on there. Yeah, it is to become complicated. Book is very important to suit your needs. As we know that on this period of time, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. So , this El futuro de Cuba existe (Spanish Edition) can make you really feel more interested to read.
