Fallan and Bishop are thrown together when she's his mark on an undercover government operation. Will he manage to tame the feisty redhead? Bishop is a government agent, sent to prevent messes before they splurge into the news and wreck lives. His latest mission is to intercept a package before it gets into the wrong hands, and as he sits in a hotel dining room watching his target, he knows if he has to make her his first kill he'll be changed forever. Fallan Jones is that target—an unsuspecting innocent, sent to drop off the package in return for a free hotel weekend and ten grand to pay off her mounting debts. When sexy—as—hell Bishop follows her after she's secreted the goods then forces her into his car, she realises she's in a whole world of trouble. Taken to his secret hideaways, Fallan finds herself overly attracted to the gorgeous Bishop and wonders if fear plays a part in how much she wants him. But if he's going to kill her, she may as well enjoy great sex before she dies... Other forces are at work, though—the government and the men who offered her the deal—and she's a risk. If she talks, she's dead. If she keeps quiet, she may still end up dead. Their sexual affair turns into something more, though neither can afford to be with the other. But love is a strong emotion and doesn't plan on letting them be apart. However, the government has other ideas...
