The Story of Corruption Within the Vatican

*Shroud of Secrecy* offers an insider's account of intrigue, sex, and corruption within the Vatican. It is the first treatise of written protest from within the Church since 1517, when Martin Luther posted his historic 95 theses on a church door in Wittenberg, Germany. Written by a small group of Vatican prelates who call themselves the Millenari, its publication breaks a code of silence that has allowed impropriety and hypocrisy within the Roman Catholic Church to flourish.
