## **Il Grande Strappo (Vaporteppea) (Italian Edition)** Giuseppe Menconi

È il XXV secolo e l'umanità si è espansa oltre il sistema solare, ma aver colonizzato altri mondi non ha cambiato la natura umana: l'Unione di Mizar e la Federazione Terrestre si combattono da oltre un secolo. Una guerra senza la possibilità di una pace, perché entrambe le fazioni lottano per scappare da un Universo morente.

Solo un Portale verso un altro mondo può salvare l'umanità dal "Grande Strappo" che sta lacerando una galassia dopo l'altra, ma una sola delle due fazioni potrà usarlo. Chi lo attraverserà quando verrà il momento?

Landon Banes è uno dei coraggiosi minatori federali che estraggono il taunuxanio, necessario per completare il Portale. Una vita faticosa in una remota colonia, lontana dalle comodità della Terra, difficile da sopportare soprattutto per la sua famiglia.

Fede, devozione, coraggio: queste sono le doti richieste a ogni buon cittadino della Federazione. La propaganda federale e le parole del Papa sono la guida di Landon, un uomo giusto che ha sempre fatto il suo dovere.

Ma l'arrivo di una spedizione militare dell'Unione obbligherà Landon ad abbandonare la sua vita di comode menzogne e affrontare un universo di scomode verità. Come deve agire un uomo giusto quando l'unico modo per fare la cosa giusta diventa fare la cosa sbagliata? A quali compromessi deve scendere per salvare la propria famiglia?

«Il cielo è buio dietro l'illusione della luce.»

[Romanzo di Fantascienza, collana Vaporteppea, 83.900 parole, circa 275 pagine]
