**Love in the Balance** Marianne K. Martin

"Not only does [*Love in the Balance*] have love and excitement, but it has issues very close to all of us."—*The Alabama Forum Gaiety*

"Marianne Martin is a wonderful storyteller and a graceful writer with a light, witty touch with language and a sensitivity to the emotions of people in love."—Ann Bannon

Real life has a way of sneaking up on you.

Connie likes men. Sure, she's just dumped one, but she'll find another one soon enough. Instead she finds Kasey. Who happens to be a woman—a lesbian, actually. Connie reckons they'll be good friends, and she soon realizes she wants more.

But Kasey has already had her heart broken. Her ex-girlfriend turned out to like men. Kasey won't take a chance on that happening again. And her friends won't let her, either. Especially not Sharon.

If this is love, Connie has a lot of convincing to do and a lot of people to win over. Just when it seems like maybe she has, real life comes sneaking up again. Some people hate lesbians—hate them enough to kill. And it's not obvious that the authorities care. Connie and Kasey and Sharon must each put their doubts to the side and work together to get justice.

**Marianne K. Martin** is the author of eight novels and has been shortlisted three times for the Lambda Literary Award.

### From reader reviews:

#### **Michelle Porter:**

This Love in the Balance book is not ordinary book, you have after that it the world is in your hands. The benefit you receive by reading this book will be information inside this book incredible fresh, you will get details which is getting deeper you actually read a lot of information you will get. This specific Love in the Balance without we understand teach the one who examining it become critical in thinking and analyzing. Don't end up being worry Love in the Balance can bring once you are and not make your bag space or bookshelves' come to be full because you can have it in the lovely laptop even telephone. This Love in the Balance having good arrangement in word and also layout, so you will not truly feel uninterested in reading.

#### **Marisa Carney:**

As people who live in the actual modest era should be change about what going on or details even knowledge to make these keep up with the era that is always change and move ahead. Some of you maybe will update themselves by looking at books. It is a good choice for you personally but the problems coming to a person is you don't know which one you should start with. This Love in the Balance is our recommendation so you keep up with the world. Why, because this book serves what you want and want in this era.

#### **Kyle Guthrie:**

In this period globalization it is important to someone to get information. The information will make you to definitely understand the condition of the world. The healthiness of the world makes the information much easier to share. You can find a lot of references to get information example: internet, classifieds, book, and soon. You can see that now, a lot of publisher that print many kinds of book. Typically the book that recommended for your requirements is Love in the Balance this book consist a lot of the information on the condition of this world now. That book was represented how do the world has grown up. The dialect styles that writer use to explain it is easy to understand. The writer made some study when he makes this book. Honestly, that is why this book acceptable all of you.

#### **Raymond Guajardo:**

Do you like reading a reserve? Confuse to looking for your best book? Or your book seemed to be rare? Why so many query for the book? But virtually any people feel that they enjoy to get reading. Some people likes looking at, not only science book but novel and Love in the Balance or even others sources were given expertise for you. After you know how the truly great a book, you feel want to read more and more. Science book was created for teacher or perhaps students especially. Those guides are helping them to put their knowledge. In some other case, beside science guide, any other book likes Love in the Balance to make your spare time more colorful. Many types of book like here.
