## **One More Stop** Lois Walden

In the year 2003, twenty years after her mother's untidy death, Loli Greene is hired by an almost bankrupt theatre company to travel across the United States to teach tired, toxic teenagers to tap into their creative unconscious, so that they might better understand their world at large and the world of their ancestors. While teaching in a town in the mid-west, she meets a mother and a daughter whose lives she transforms, and whose love transforms her.
