An Analysis of the Pali Canon: And a Reference Table of Pali Literature

New edition. Comprehensive overview of the contents of the works that make up the Tipitaka, the Canon of the Theravada school of Buddhism. It also contains an index of the suttas and sections of the Tipitake, as well as an extensive bibliography of the translations of canonical works and secondary literature. The second part of this book is an extensive list of all the works composed in the Indic language known as Pali. It lists all the works of the Tipitaka, the commentaries and subcommentaries, historical chronicles, works on medicine, cosmology, grammar, law, astrology, time of composition, country of origin and includes references to secondary literature that provide more information on the works listed. This book is an essential resource for students and researchers of the Tipitaka and other Pali literature.
