CISA Video Mentor Shon L. Harris

CISA Video Mentor provides a comprehensive learning experience from a leading topical expert, to help you prepare for the Certified Information Security Auditor (CISA) certification offered by the Information Security Auditor Control Association (ICASA). CISA is one of the few certifications formally approved by the US Department of Defense in their Information Assurance Technical category. The dozens of hours of classroom instruction are enhanced with flash animations, screencasts, scenario-based case studies and labs designed to work together to provide both foundational learning on the topic as well as exam preparation skills. The DVD video tackles each CISA topical area with in depth learning that teaches you what you need to understand, not only to pass the exam, but to apply it in the workplace. The classroom instruction is enhanced with the multimedia learning tools to help the expert instructor teach you these topics so that you grasp them for real world application and exam success.

- In-depth instruction for the Certified Information System Auditor (CISA) exam that you view and study at your own pace
- Dozens of hours of expert instruction on DVD
- Labs and scenario-based case studies help you learn how to apply classroom learning in the real world and on the exam
- Flash animations and screencasts show how the expert does the work in real time
