Soul Agreements Dick Sutphen, Tara Sutphen

While in spirit, before you were born, you wrote a script for your life on earth that included soul agreements establishing your relationships with your parents, lovers, children, and others who would affect your life in meaningful ways. Your career directions were planned out, as well as the major challenges you would encounter. This karmic road map was programmed at a soul level and can be examined by psychic researchers like Dick and Tara Sutphen.

In his bestselling book, *You Were Born Again to Be Together*, Dick explored the concept of destiny through romantic relationships. In *Soul Agreements* his investigations expand to a variety of cases: a woman born with a severe disability; a couple who came together to experience tragedy; and others who incarnated to be famous, or influential, or to become healers.

Once you understand how soul agreements work, Dick teaches how to make the most of your destiny. The more self-actualized you are, the less likely you will be adversely affected by negative life experiences. This awareness shows you how to best override fate and create your own reality of love and success.
