The Shortest History of Europe

John Hirst

The Shortest History of Europe John Hirst

Celebrated historian John Hirst offers a fascinating exploration of the qualities that made Europe a world-changing civilisation.

The Shortest History of Europe begins with a rapid overview of European civilisation, describing its birth from an unlikely mixture of classical learning, Christianity and German warrior culture. Over the centuries, this unstable blend produced highly distinctive characters – pious knights and belligerent popes, romantics spouting folklore and revolutionaries imitating Rome – and its coming apart provided the dynamic of European history in modern times.

Accompanied by lively illustrations, *The Shortest History of Europe* is a clear, humorous and thought-provoking account of a remarkable civilisation. This new edition brings the story into the present, covering the world wars and beyond.

‘A wise, illuminating little book’ —*Sydney Morning Herald*

‘An entertaining, learned piece of historical compression’ —*Age*

‘Crisp, lucid and evocative’ —*Australian Book Review*

‘Beautifully and sparsely constructed, yet rich in fact, feeling and detail, sweeping, challenging and funny’
—James Button

‘Great stuff, the book as a whole is constantly thought-provoking’ —*Courier Mail*

John Hirst was a member of the History Department at La Trobe University from 1968 to 2007. He has written many books on Australian history, including *Convict Society and Its Enemies*, *The Strange Birth of Colonial Democracy*, *The Sentimental Nation*, *Sense and Nonsense in Australian History* and *The Shortest History of Europe*.
