This book includes everything today's CPA candidates need to pass the CPA Exam. Published annually, this comprehensive four-volume paperback reviews all four parts of the CPA exam. Many of the questions are taken directly from previous CPA exams. With 3,800 multiple choice questions and more than 90 simulations, these study guides provide all the information candidates need to master in order to pass the computerized Uniform CPA Examination. It includes complete sample exam in auditing and attestation. It presents the most effective system available to prepare for the CPA exam - proven for over thirty years. The book offers timely-up-to-the-minute coverage for the computerized exam, and contains all current AICPA content requirements in auditing and attestation. Its unique modular format helps you zero in on areas that need work, organize your study program, and concentrate your efforts. It also includes comprehensive questions - over 3,800 multiple-choice questions and their solutions in the four volumes. It covers the new simulation-style problems, and includes over 90 simulations. It features guidelines, pointers, and tips that show you how to build knowledge in a logical and reinforcing way. "Wiley CPA Exam Review 2010" arms test-takers with detailed outlines, study guidelines, and skill-building problems to help candidates identify, focus on, and master the specific topics that need the most work.
