An erotic thriller- a novella- Lila is a thirty-eight year old prostitute fighting a losing battle against the effects of age, whose only purpose is to insure her daughters have everything that they need. Julia is a beautiful and fit young woman obsessed with her body, married to obsessive and narcissistic Omar, a corrupt police detective in Juarez, Mexico. Wanting to spice up their sex life, Omar hires Lila to “make her happy”, never suspecting that it would be the beginning of a love affair between the two women. When sadistic Omar learns that they are seeing each other secretly, he begins a chain of events that destroy the lives of all involved in the love triangle.
