Audubon Birds Gallery Calendar 2014 National Audubon Society

For America's 51 million birders, what could be better than a daily sighting? A Western Bluebird perched on a mossy log, an adorably plump Purple Finch, the intense gaze of a Barn Owl— plus detail of beautiful feathers, nests, and eggs. From Audubon, the organization synonymous with birds, the Birds Gallery is a collection of hundreds of species captured in exquisite detail and full color. The subjects are photographed in their natural habitats, and captions provide common and scientific names.
