El evangelio de Buda: Nueva edición revisada (Volume 1) (Spanish Edition) Paul Carus

Esta obra es una selección de los textos esenciales del budismo, donde se presenta a Buda en su más poética y profunda belleza, transmitiendo los valores esenciales de una Filosofía espiritual que sigue conmoviendo a millones de seres humanos en todo el mundo. El budismo, como el cristianismo, está dividido en innumerables sectas, separadas sobre todo por supersticiones o ritos particulares, y con frecuencia ellas consideran los dogmas a que están ligadas como los rasgos más importantes e indispensables de su religión. Este libro no sigue ninguna de las doctrinas sectarias, sino que toma una posición ideal que todos los verdaderos budistas pueden aceptar como un terreno común. Su principal originalidad está en la coordinación de este Evangelio de Buda, bajo una forma armoniosa y sistemática. Sin embargo, en lo que concierne al conjunto de sus diversas partes se le puede considerar como una simple compilación, y el compilador ha procurado tratar los materiales de la misma manera que, según su opinión, el autor del cuarto Evangelio del Nuevo Testamento lo ha hecho con los relatos de la vida de Jesús de Nazareth.
