How often have you taken one look at someone and ‘known’ that they were not to be trusted? Or conversely, instantly been sure that some new acquaintance was someone who was going to be your friend? You ‘know’ because you can instinctively see their character in their faces.

The art of reading faces has been practiced in China for thousands of years. Now, with the help of this step-by-step guide, anyone can learn how to interpret different facial characteristics and acquire an instant knowledge of a person’s character, feelings, hidden desires, state of health, and mood.

Everything is written in the face. High cheekbones, a pointed chin, flaring eyebrows or a turned-up nose all have specific meanings. Once you have learned how to interpret them you will gain greater self-knowledge and a deeper understanding of your friends, colleagues and partners. Your new insights will enable you to form more successful relationships and will give you the advantage in business dealings and interviews. You will know at once whether a person is trustworthy or has bad intentions, and your first impressions will be supported by the clear evidence in the face confronting you.

Clear and practical, *Face Reading* includes 180 illustrations showing you all the facial features with detailed explanations of their meaning. Reading faces is entertaining and fun, but it is no mere party game; it will change your whole perception of the people around you as well as yourself.
