Lovers for a Day: New and Collected Stories on Love Ivan Klíma

Ivan Klíma has been called a "Czech genius" by the Los Angeles Times Book Review. In these stories spanning his long career from the 1960s to the present, he gives us a gallery of people searching, in love, for escape: factory girls on their day off and assembly-line workers lost in Walter-Mitty-esque fantasies; a young woman on a honeymoon with the man she did not marry; a divorce-court judge whose mistress cannot understand his affection for the routines of his marriage; a young wife who falls into a passionate affair with an elderly bookbinder crippled by war. *Lovers for a Day* is a book stamped with Klíma's unique wisdom, a personal history of a national evolution and an acute and moving examination of our attempts to find freedom in love. "Ivan Klíma's view of love is often witty, sometimes playful, and has a convincing sense of the erotic....[and] the kindness that can endure between a husband and wife long after the passion has fled." - Andrew Miller, The New York Times Book Review; "Klíma has evolved differently from his contemporaries.... Rather than become embittered by his country's past, Klíma has come to a truce with imperfection -- the imperfection of history and of love." -- Jennie Yabroff, San Francisco Chronicle
