**Man on a Leash** Charles Williams

**A son searches for the men who killed his mysterious father**

Even at sixty-six, Gunnar Romstead was a tough old salt. It took several men to bring him down, and even after they'd bound his feet and hands he was still a threat. But finally the man who'd survived waterfront brawls, World War II, and countless stormy nights at sea died on his knees—shot through the back of the head.

Looking for answers, his son Eric comes to the barren California town where Gunnar breathed his last. He hardly knew the old man, but he can't believe his father was killed in a botched drug deal. Somewhere in California is a massive shipment of heroin and a quarter of a million dollars, and if Eric finds them he will uncover the truth. But for a boy who grew up loving his father from afar, the truth may hurt even more than a bullet.
