Melonhead and the Undercover Operation Katy Kelly

Melonhead here—with more rules?! I already have the Remind-O-Rama list from my mom, which reminds me what I shouldn't do. Now my dad has created the Melon Family Guidelines for Life to remind me what I should do. And even though all these rules are so simple even a worm could follow them, I already have too much to think about. As Junior Special Agents with the FBI, my pal Sam and I have taken a pledge—it's our duty to help apprehend a fugitive from justice if we spot one. And believe it or not, we've spotted one not far from where we live! The Chameleon may think she's crafty, but we can see right through her wigs, plastic noses, and putty chins. We're undercover and on the case, doing surveillance and gathering evidence. But what you see isn't always what you get!

From the Hardcover edition.
