The Body of Christ: A Reality Watchman Nee

"And gave him [Christ] to be head over all things to the church, which is his body, the fullness of him that filleth all in all" (Eph. 1:22, 23).

As Christ the head is a reality, so the church as the body of Christ is a reality. To many, however, the body of Christ is a vague, nebulous, and abstract term. It's merely a beautiful concept or a noble theory. It's not a living reality as is presented in the scriptures. The time has come, and now is, that all who seek the Lord should enter into a new understanding of the body of Christ. We need to see that the body of Christ is a life that we live in. It ought to become our daily experience.

In this little volume of collected messages selected for the unity of their subject matter and given by the author through years of faithful ministry, Watchman Nee attempts to show us the reality of the body of Christ. He proves to us that the body of Christ is founded on life and life consciousness. It's built on a living relationship among its members, as well as with its head. This body is governed by its own laws, and blessed are those who discover these laws and follow them. To them, the body of Christ is indeed a living reality. May God grant to all who listen to this audiobook wisdom and strength for living in the reality of the body of Christ.
