After arriving in Reliable, California, Dr. Eric Walcott is stunned by the primitive conditions of the medical practices. Luckily for all of them, he's here to help... if he can just get that Chance woman to put away her plants and blossoms long enough to practice some real medicine. Polly Chance knows all her land has to offer. She's learned to be a healer at her mama's side, and together, they've been tending to their own for many years. But when Dr. Walcott shows up, he denounces their traditional methods... and captures Polly's heart. Can the Lord unite two like-minded caretakers? Or will a handful of flowers forever come between them and a future together?
