## **Meaty: Essays by Samantha Irby, Creator of the Blog BitchesGottaEat** Samantha Irby

As a writer and performer, Samantha Irby is a force of nature. As the genius behind the hilarious blog BITCHES GOTTA EAT, she's your sharp-tongued best friend who can't help but tell it like it is. In her debut essay collection *MEATY*, Samantha Irby explodes onto the page with essays about laughing her way through her ridiculous life of failed relationships, taco feasts, bouts with Crohn's Disease, and more. Written with the same scathing wit and poignant bluntness long-time readers have come to expect from her riotous blog, *MEATY* takes on subjects both highbrow and low—from why she can't be mad at Lena Dunham, to the anguish of growing up with a sick mother, to how to prepare your disgusting meat carcass for some new, hot sex, to why she wants to write your mom's Match.com profile.
