Solutions: The Dilemma for the Gods James Gerard

Solutions: The Dilemma for the Gods is the fourth story in a series of seven that examines one's relationship with self, others, and ultimately with our Lord God. The story picks up many, many years after The Dilemma of Hopelessness ended. In this story Terrance, a man in rebellion of the Gods and troubled by the loss of the woman he was to be mated with, Rita, is aware of some deception that holds the high priests and believers hostage to the prescribed tenets. But because of one of his rebellious acts he is put in a position where the truth is revealed. Is it his rebellious nature that leads him to such truth or the grief he feels for the loss of Rita? Or, could it be that the Gods themselves are leading him to the truth? Who knows?
