The Cricket and the Shepherd Boy: A Christmas Tale Reg Down

A young shepherd hears a cricket singing at his feet. The cricket speaks to him and foretells that the coming winter will be both special and especially cold. Then he disappears back into the grass. The winter is indeed especially harsh, but on a star-studded night the cricket and the shepherd boy make their way to a manger huddled low between two hills. There they find a mother and father with a child who radiates light and warmth into the world. This innocent and warmhearted nativity tale is intended for parents to read to their children at Christmas time. While the story itself is timeless, this tale is most suitable for children from preschool to grade four or five.
