Every Little Angel's Handbook Belinda Downes

Just in time for Christmas Belinda Downes has created a magical world, illustrated with magnificent hand-embroideries to charm the wings off all little angels even those who are not so angelic! This is the perfect book for anyone who's ever wondered who angels really are and what they do all day. Readers explore the ins and outs of angel life as they watch the little angels bake angelic cakes, sing in the (less than) angelic choir, and learn all about flying. Belinda Downes, a professional embroiderer, hand-embroidered every piece of art in the book.
