## La cautiva - El matadero y otras páginas (Letras y pensamiento en el Bicentenario) (Spanish Edition)

Esteban Echeverría

“Si bien la literatura para los escritores de este período histórico era concebida como un medio para entender y transformar la realidad política -cuyo paradigma es Sarmiento-, en el caso de Esteban Echeverría puede percibirse a lo largo de su vida una tensión entre la literatura y la política, que se manifiesta en una oscilación entre períodos de aislamiento voluntario para preservar la escritura poética y momentos de síntesis donde la política es el hilo hegemónico de su producción y accionar.”

Estudio Preliminar de Carlos Dámaso Martínez
