**Mnemonic (Modern Plays)** Theatre de Complicite

A play and production from one of the worlds most innovative theatre companies

Mnemonic is about memory, peoples personal histories, shared memories and discordant recollections - exhuming the past in order to examine it in the present. A variety of stories - from the discovery of bog people like Tollund Man to peoples compulsion to retrace the origins of their ancestors - collide and form a piece of theatre which questions our concept of time, our capacity to distort history and our attempts to retell the past.

"An ice-preserved body - from 5,200 years ago - forms the central image of Theatre de Complicites dazzlingly imaginative meditation on memory and morality. Timely and unforgettable" (Independent)
