Prayer Book and People in Elizabethan and Early Stuart England (Cambridge Studies in Early Modern British History)

Judith Maltby

Prayer Book and People in Elizabethan and Early Stuart England (Cambridge Studies in Early Modern British History) Judith Maltby

This book explores the culture of conformity to the Church of England and its liturgy in the period after the Reformation and before the outbreak of the Civil War. It provides a necessary corrective to our view of religion in that period through a serious exploration of the laypeople who conformed, out of conviction, to the Book of Common Prayer. These "prayer book Protestants" formed a significant part of the spectrum of society in Tudor and Stuart England, yet until now they have remained an almost completely uninvestigated group.
