Solutions: The Dilemma of Faith is the sixth story in a series of seven that explores one's relationship with self, others, and ultimately with our Lord God. The story picks up years later where The Dilemma for Men ends. In this story, the death of Mary's daughter, Melissa, from an auto accident many years ago has left her devastated. Mary too, the driver that night, was very badly hurt. Her life, body, and mind, having been reconstructed from the same accident, has never felt right. Then one night a man comes screaming into her life. On that night a disturbing clue creates doubt for Mary as to her past and present life. What she finds that night is just the beginning of a journey that leads to a very painful truth.
