Stones from the River (Burgdorf Cycle Book 1)

Ursula Hegi

Stones from the River (Burgdorf Cycle Book 1) Ursula Hegi

From the acclaimed author of *Floating in My Mother's Palm* and *Children and Fire*, a stunning story about ordinary people living in extraordinary times—"epic, daring, magnificent, the product of a defining and mesmerizing vision" (*Los Angeles Times*).

Stones from the River is a daring, dramatic and complex novel of life in Germany. It is set in Burgdorf, a small fictional German town, between 1915 and 1951. Trudi Montag is a *Zwerg*—a dwarf—short, undesirable, different, the voice of anyone who has ever tried to fit in. Eventually she learns that being different is a secret that all humans share—from her mother who flees into madness, to her friend Georg whose parents pretend he's a girl, to the Jews Trudi harbors in her cellar.

Ursula Hegi brings us a timeless and unforgettable story in Trudi and a small town, weaving together a profound tapestry of emotional power, humanity, and truth.
