—DANIEL H. PINK, author of *Drive* and *A Whole New Mind*

Every effective leader has his or her own personal style—but they all share one thing in common:

Commitment. They know what commitments to make to motivate their teammates, build more productive organizations, and be the kind of leaders people want to work with.

But what exactly are great leaders committed to? *The Three Commitments of Leadership* delivers the answers that are the foundation of an evolution in the way human beings will lead for the future.

Written by a team of learning and development experts, this groundbreaking book provides a leadership model that will help you know where to pay attention, so every action you take has the impact you hope for. Too many leaders obsess over short-term profits, popularity, and pleasing boards, bosses, and special interests—when they *should* be obsessing over building lasting relationships and results.

The Three Commitments of Leadership digs deep into what leaders must focus on to truly be exceptional:

- **CLARITY**—Creating a common understanding of what success looks like
- **STABILITY**—Providing the resources people need and building a culture of trust
- **RHYTHM**—Fostering a flow of work and an environment that feels natural

It’s simple—but not easy. Globalization, competition, and shrinking margins are making it tougher than ever to operate without deep engagement from every member of every team. The solution is a tenacious dedication to a straightforward way of leading that produces the outcomes you need and turns every teammate into a fellow leader, too.
