Knockemstiff

Donald Ray Pollock

Knockemstiff Donald Ray Pollock

In this unforgettable work of fiction, Donald Ray Pollock peers into the soul of a tough Midwestern American town to reveal the sad, stunted but resilient lives of its residents. **Knockemstiff** is a genuine entry into the literature of place. Spanning a period from the mid-sixties to the late nineties, the linked stories that comprise **Knockemstiff** feature a cast of recurring characters who are irresistibly, undeniably real. A father pumps his son full of steroids so he can vicariously relive his days as a perpetual runner-up body builder. A psychotic rural recluse comes upon two siblings committing incest and feels compelled to take action. Donald Ray Pollock presents his characters and the sordid goings-on with a stern intelligence, a bracing absence of value judgments, and a refreshingly dark sense of bottom-dog humor.

From the Trade Paperback edition.
