The Apparatus

Don LoCicero

The Apparatus Don LoCicero

The Apparatus is an insightful satire on government bureaucracy, personal identity and confused human relationships. Set in World War II America, the novel transcends geographical borders and is timeless. The characters in The Apparatus remain nameless, defined by their functions rather than their individuality. LoCicero's narrator, a young man with an extraordinary ability, recounts his bewildering dealings with the Apparatus, a nebulous organization that is simultaneously frightening and laughable, omnipotent and powerless, omnipresent and invisible, omniscient and unknowing. Its world is a chaotic conglomeration of committees and cubicles, its function unintelligible even to those who are in its most powerful positions. Directing the important Apparatus School, for example, is the "Head Administrator", a sadistic, femme-fatal whose sexual services are enjoyed by the leaders of many governments. What role does the Apparatus play in our lives? One must read LoCicero's work to learn the answer, if indeed, there is an answer.

From reader reviews:

Alex Lynch:

Have you spare time for just a day? What do you do when you have considerably more or little spare time? That's why, you can choose the suitable activity intended for spend your time. Any person spent their own spare time to take a wander, shopping, or went to often the Mall. How about open or maybe read a book titled The Apparatus? Maybe it is to get best activity for you. You already know beside you can spend your time with the favorite's book, you can better than before. Do you agree with it has the opinion or you have other opinion?

Clinton Whitten:

The publication with title The Apparatus includes a lot of information that you can find out it. You can get a lot of benefit after read this book. This book exist new knowledge the information that exist in this e-book represented the condition of the world today. That is important to yo7u to understand how the improvement of the world. That book will bring you in new era of the syndication. You can read the e-book in your smart phone, so you can read it anywhere you want.

James Goodman:

This The Apparatus is great book for you because the content and that is full of information for you who else always deal with world and also have to make decision every minute. This particular book reveal it data accurately using great manage word or we can state no rambling sentences inside it. So if you are read it hurriedly you can have whole information in it. Doesn't mean it only offers you straight forward sentences but tricky core information with lovely delivering sentences. Having The Apparatus in your hand like obtaining the world in your arm, information in it is not ridiculous 1. We can say that no book that offer you world within ten or fifteen tiny right but this guide already do that. So , this is certainly good reading book. Hi Mr. and Mrs. stressful do you still doubt which?

Dustin Davis:

Is it you who having spare time subsequently spend it whole day by watching television programs or just telling lies on the bed? Do you need something new? This The Apparatus can be the respond to, oh how comes? The new book you know. You are consequently out of date, spending your time by reading in this brand new era is common not a geek activity. So what these guides have than the others?
