Shell doesn't have a good reputation....

But no matter what everyone in Rose Bud, Arkansas, thinks of her, she's back in town with a job to do. She'll stick it out and make the best of things. But why does Ryler have to be the landscaper on this project? She was just getting her heart under control.

Ryler has his own reasons for being in Rose Bud, and they don't include Shell. Spying on his birth family was going to be hard enough. He doesn't have time to worry about a woman who dumped him...even if his heart says otherwise.
