Find out what separates great managers from the rest!

A great manager approaches the job with a set of skills and attitudes that can guarantee success, no matter the industry or organization, but most of today's managers face myriad tough challenges, which can jeopardize their careers and wreak havoc on the bottom line.

Bestselling author and sales expert Tim Connor offers a unique look at 81 challenges that thousands of managers face every day, including learning how to delegate, setting and reaching goals, hiring the right employees and keeping it all in balance. He gives managers at all levels the insight to figure out what mistakes are holding them back, and the tools to fix them once and for all.

81 Challenges Smart Managers Face gets to the heart of the key issues in any workplace and shows managers how to bring out the best in themselves, their employees and their companies.
