At last the Dark Gundam has been spotted! Domon Kashuu left his home of Neo-Japan in order to find the Dark Gundam which was stolen by his brother. Domon has been ashamed of his brother ever since and vowed revenge for the pain the betrayal cost his father, but it seems the Dark Gundam is a lot more complicated and dangerous than ever imagined. The DG cells which give it its power have the ability to take control of other Gundams and the humans who pilot them! Now the already dangerous Gundam tournament has become twice as deadly as Gundams from the past collide with today's machines. This is the kind of problem that only the legendary Shuffle Alliance, an elite band of Mobile Fighters led by the King of Hearts, could handle. Too bad the old Shuffle alliance was destroyed. Domon will have to rebuild the old alliance with all new members in order to stop this new threat.
