Join Eppie and Zeke as they get sucked down the plughole and into a brand-new adventure. It's a giggle-filled non-stop underwater romp with man-eating seaweed, magic mermaids, pirates in petticoats, fat fisherman and elastic eels . . . and that's all before breakfast. Will Zeke and Eppie ever get back on dry land and back to their normal size? This slapstick adventure, bursting with anarchic energy has enormous child-appeal even for the most reluctant reader.
