Public Interest Litigation in Asia (Routledge Law in Asia)

Public Interest Litigation in Asia (Routledge Law in Asia)

This edited volume is a timely and insightful contribution to the growing discourses on public law in Asia. Surveying many important jurisdictions in Asia including mainland China, Hong Kong, India, Malaysia, Singapore, South Korea and Taiwan, the book addresses recent developments and experiences in the field of public interest litigation. The book offers a comparative perspective on public law, asking crucial questions about the role of the state and how private citizens around Asia have increasingly used the forms, procedures and substance of public law to advance public and political aims.

In addition to addressing specific jurisdictions in Asia, the book includes a helpful and introduction that highlights regional trends in Asia. In the jurisdictions profiled, transnational public interest litigation trends have commingled with local dynamics. This volume sheds light on how that commingling has produced both legal developments that cut across Asian jurisdictions as well as developments that are unique to each of the jurisdictions studied.
