Captured by spies, a robot dog fights to return to his master

The Consolidated Mechanical Men Corporation makes all sorts of robots, but it has never produced a robot dog. When Bingo Brown, grandson of the famous navy inventor Commander Brown, sends in a request for just such a marvel, the engineers do their best, but no matter what they try, their standard brain just won't fit inside the pooch's head. Finally, they shave a bit off either side of the gray matter, and the result is Bolts: a scrappy little mutt with razor teeth, a razor wit, and a habit of speaking his utterly deranged mind.

When a gang of Mongolian spies searching for Consolidated's new superbrain diverts Bingo Brown's shipment, the puppy puts up quite a fight. On the run from spies and desperate to find his owner, Bolts will prove that his bite is just as bad as his bark.

As a pupil exactly feel bored to be able to reading. If their teacher questioned them to go to the library or make summary for some e-book, they are complained. Just very little students that has reading's internal or real their leisure activity. They just do what the professor want, like asked to go to the library. They go to there but nothing reading critically. Any students feel that reading through is not important, boring as well as can't see colorful photos on there. Yeah, it is for being complicated. Book is very important in your case. As we know that on this age, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. So , this Bolts: A Robot Dog can make you experience more interested to read.
