Fine Woodworking Biennial Design Book Fine Woodworking

If you love fine woodworking, you'll treasure this superb collection of the best designs in wood by present day craftsmen. The 600 photographs are the pick of 8000 sent to the editors of Fine Woodworking magazine, and show the highly creative and incredibly varied work being done today. Much of it comes from the studios of professional designer craftsmen. But much also comes from the home workshops of increasing numbers of serious and skilled amateurs. From antique interpretations to ultramodern fantasies, these striking photographs show the state of the art in all of its fantastic diversity. This unique book is a source of inspiration for today and a record for tomorrow.
